My apologies. The previous version of the report I sent did not include Larry's additions. I must have hit "save" after I attached it or something. Here is the complete report.

Thank you for catching that, Beth!

Good afternoon:

Attached, please find a list of FOIA requests that are currently in the awareness review process. I updated the list with the National FOIA Office's latest report and to include added releases for the FEAT. The FEAT requests are listed first followed by the National FOIA Office matters. I have also included an excel file of the combined information sorted by date.

The FEAT has provided 31 document productions to Beth White for awareness review that are still pending. These requests are related to the Administrator's condo, premium travel, PSD information, Bristol Bay requests, and ethics forms related to the Administrator's travel.

The National FOIA Office reported 35 pending releases as of April 13, 2018 for a total of 66 pending releases.

Please let me and Larry Gottesman know as soon as any of these productions can be provided to the FOIA requesters.

If you have questions or need more information, please contact me.

Thank you and have a good week,

Denise

Best,

Denise
